Dr. Luigi Cavalli-Sforza  
Institute of Genetics  
University of Pavia  
Italy

Dear Luca:

Dean Alway and I have discussed a proposal for your possible appointment here with great enthusiasm.

We are prepared to recommend to the President of the University your appointment as Professor of Genetics, at a salary level of \$18,000 per annum (12 month basis).

You already know the deep interest we have, and which is shared by our colleagues, in your coming, and we look forward to your favorable consideration.

Yours sincerely,

Joshua Lederberg  
Professor of Genetics
